# KERN COUNTY MUSEUM

## Bakersfield

- The Kern County Board of Supervisors founded the Kern County Museum in 1929. The Main Building, built in 1929, housed the Kern County Chamber of Commerce until 1941. It was the first of 56 historic buildings that now comprise an outdoor museum.
- On November 14, 1980, the State Historical Resources Commission designated the Kern County Museum Main Building a Point of Historical Interest.
